Why you'll love aluminium

It's all about outdoor living. Bring the indoors out and the outdoors in with Loov. aluminium. For use on balconies and decks, patios and piazzas, you'll love the way our aluminium shutters will transform your home from the inside out.

It's reliable in any weather. Strong, gutsy and tough as nails, the Loov. aluminium range has the strength and durability to last through the hottest sun and the heaviest hail.

It's an elegant outdoor solution. Made with T5 aluminium our Loov. aluminium shutters may be tough but they look and feel just as elegant as our indoor range.

It's safe and secure. Not only sturdy and good looking, Loov. aluminium shutters will also keep you safe and secure. Our locking mechanisms will keep more than just the weather out.
